

# 2025 WIA Scholarship Application Practice Form for Pre-Drafting

Technical/trade certificate or programs pre-draft

Deadline **February 1, 2025**

## **First Things (Information)**

You will need to

1. Finish this entire application in one session. This PDF is for you to print and use for draft, but all questions and uploads must be done in one session.
2. Upload two reference letters; at least one from a person not connected to your school.
3. Upload your high school transcript showing fall semester GPA for all four years of secondary education (or equivalent). Applicant **MUST** have a cumulative GPA of at least 2.5 minimum on a scale of 4.0 (or equivalent). Bonus consideration for GPAs that are showing improvement over time.
4. Submit the complete application and supporting materials by deadline.

What do you need this scholarship (expand regarding need)?

Applicant Signature (will be upload)

Date Submitted

**BACK** (you cannot save the application online)

**SUBMIT**

**LAST THINGS:**

By submitting an application, you are agreeing that if awarded the scholarship, you will

- Provide WIA with a copy of the college admission letter and proof of enrollment (by July of current year). WIA will mail scholarship check to your official student account at the university/college/technical/trade school.

***NOTE:*** *Scholarship is unrestricted and can be spent in any need a student has, subject to student being admitted and enrolled in the university/college.*

- Attend in-person the June WIA General Meeting to receive formal award.

**PDF NOTE:** After you submit the application, there will be a notice sent to your email.

**ALSO** within 3 days, you will receive a personal notice from the WIA Scholarship

**Committee. If you do not receive both of these notifications, or if you have any questions, call the Scholarship Committee at 812 483-5671.**
